

Safer Recruitment and Selection Policy for Lacewood Primary School

Approved by: Kelly Webster
(Chair of Governors)

Date: 10.08.26

Last reviewed on: August 2026

Next review due by: August 2027

Introduction

Lacewood Primary School is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment in every aspect of their work.

We are committed to using disciplinary procedures that deal effectively with adults who fail to comply with the school's safeguarding and child protection procedures and practices, including referring any allegation of abuse against an adult working with children to the Local Authority Designated Officer (LADO) within one working day of the allegation being made. A referral will be made if an adult has:

- behaved in a way that has harmed a child, or may have harmed a child
- possibly committed a criminal offence against or related to a child
- behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children

The purpose of this policy is to set out the requirements of a recruitment process that aims to:

- Attract the best possible applicants to vacancies
- Deter prospective applicants who are unsuitable to work with children or young people
- Identify and reject applicants who are unsuitable to work with children or young people

The appointment of all employees will be made on merit and in accordance with the provisions of Employment Law, Keeping Children Safe in Education and the school's Single Equality Scheme.

We will ensure that people are treated solely on the basis of their abilities and potential, in line with our Single Equality Scheme.

We will comply with the requirements of DfE Keeping Children Safe in Education.

Roles and Responsibilities

The Governing Body of the school will:

- ensure the school has effective policies and procedures in place for the safe and fair recruitment and selection of staff and volunteers in accordance with Department for Education guidance and legal requirements
- monitor the school's compliance with them
- ensure that appropriate staff and governors have completed safer recruitment training

The Headteacher will:

- ensure that the school operates safe and fair recruitment and selection procedures which are regularly reviewed and up-dated to reflect any changes to legislation and statutory guidance
- ensure that all appropriate checks have been carried out on staff and volunteers in the school (see Appendix i)
- monitor any contractors' and agencies' compliance with this document
- promote the safety and well-being of children and young people at every stage of this process

Delegation of Appointments and Constitution of Selection Panel

The Governing Body delegates the power to offer employment for all posts to the Headteacher. The Headteacher may not delegate the power to offer employment to any other senior manager or governor. The Headteacher will aim to involve at least one governor in the appointment of all teaching staff and also in the appointment of other posts, where possible.

Selection panels will comprise a minimum of two people (normally three). In accordance with the statutory requirement, every selection panel will have at least one member who has undertaken Safer Recruitment Training.

Recruitment and selection process

To make sure we recruit suitable people, we will ensure that those involved in the recruitment and employment of staff to work with children have received appropriate safer recruitment training.

We have put the following steps in place during our recruitment and selection process to ensure we are committed to safeguarding and promoting the welfare of children.

Advertising

All vacant posts will be advertised to ensure equality of opportunity and encourage as wide a field of candidates as possible. This will normally mean placing an advertisement externally. However, where there is a reasonable expectation that there are sufficient, suitably qualified internal candidates, or staff are at risk of redundancy, vacancies may be advertised internally before an external advertisement is placed. Any internal recruitment process will follow the procedures set out in this policy.

When advertising roles, we will make clear:

- Our school's commitment to safeguarding and promoting the welfare of children
- That safeguarding checks will be undertaken
- The safeguarding requirements and responsibilities of the role, such as the extent to which the role will involve contact with children
- Whether or not the role is exempt from the Rehabilitation of Offenders Act 1974 and the amendments to the Exceptions Order 1975, 2013 and 2020. If the role is exempt, certain spent convictions and cautions are 'protected', so they do not need to be disclosed, and if they are disclosed, we cannot take them into account

All advertisements for posts, paid or unpaid, will include the following statements:

"Lacewood Primary School is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment"

"The successful candidate will have to meet the requirements of the person specification and will be subject to pre-employment checks including a health check, an enhanced DBS check and satisfactory references."

Application forms

Our application forms will:

- Include a statement saying that it is an offence to apply for the role if an applicant is barred from engaging in regulated activity relevant to children (where the role involves this type of regulated activity)
- Include a copy of, or link to, our child protection and safeguarding policy and our policy on the employment of ex-offenders

Information for Applicants

All applicants will be provided with:

- A Job Description, outlining the duties of the post, and a Person Specification
- An Application Form (CVs will not be accepted)
- A description of the school, relevant to the vacant post
- Reference to the school's policy on Equality

- Reference to the Child Protection Policy/Safeguarding Policy, Safer Recruitment and Selection Policy, DBS and other pre-employment requirements
- An outline of terms of employment including salary
- The closing date for the receipt of applications

Prospective applicants must complete, in full, and return a signed application form or use the online system. Incomplete application forms will be returned to the applicant where the deadline for completed forms has not passed.

Candidates submitting an application form completed on line will be asked to sign the form if invited to interview.

A CV will not be accepted in place of a completed application form.

Short Listing and Reference Requests

Shortlisting

Our shortlisting process will involve at least 2 people and will:

- Consider any inconsistencies and look for gaps in employment and reasons given for them
- Explore all potential concerns

The selection panel will shortlist applicants against the Person Specification for the post. The criteria for selection will be consistently applied to all applicants. The selection panel will agree the applicants to be invited to interview.

Once we have shortlisted candidates, we will ask shortlisted candidates to:

- Complete a self-declaration of their criminal record or any information that would make them unsuitable to work with children, so that they have the opportunity to share relevant information and discuss it at interview stage. The information we will ask for includes:
 - If they have a criminal history
 - Whether they are included on the barred list
 - Whether they are prohibited from teaching
 - Information about any criminal offences committed in any country in line with the law as applicable in England and Wales
 - Any relevant overseas information
- Sign a declaration confirming the information they have provided is true

We will also consider carrying out an online search on shortlisted candidates to help identify any incidents or issues that are publicly available online. Shortlisted candidates will be informed that we may carry out these checks as part of our due diligence process.

Seeking references and checking employment history

We will obtain references before interview. Any concerns raised will be explored further with referees and taken up with the candidate at interview.

When seeking references we will:

- Not accept open references

- Liaise directly with referees and verify any information contained within references with the referees
- Ensure any references are from the candidate's current employer and completed by a senior person. Where the referee is school based, we will ask for the reference to be confirmed by the headteacher/principal as accurate in respect to disciplinary investigations
- Obtain verification of the candidate's most recent relevant period of employment if they are not currently employed
- Secure a reference from the relevant employer from the last time the candidate worked with children if they are not currently working with children
- Compare the information on the application form with that in the reference and take up any inconsistencies with the candidate
- Resolve any concerns before any appointment is confirmed

Candidates are entitled to see and receive copies of their employment references and should request these from their referees.

References will be sought directly from the referee and, where necessary, s/he will be contacted to clarify any anomalies or discrepancies. Detailed written records will be kept of such exchanges.

Where necessary, previous employers who have not been named as referees may be contacted in order to clarify any such anomalies or discrepancies. Detailed written records will be kept of such exchanges.

If a candidate for a post working with children is not currently employed in a post working with children, a reference will be sought from the most recent employment in which the candidate has worked with children to confirm details of the candidate's employment and his/her reasons for leaving.

Reference requests will ask the referee to confirm, in writing:

- The referee's relationship to the candidate
- Details of the candidate's current post and salary
- The candidate's performance history and conduct
- Whether the candidate has been subject to capability procedures and the outcome of this
- Whether the candidate has been subject to disciplinary action relating to the safety and welfare of children, including where the sanction has expired, and the outcome of this
- Details of any substantiated allegations or concerns about the candidate relating to the safety and welfare of children
- Whether the referee has any reservations as to the candidate's suitability to work with children and young people (if so, the school will ask for specific details of the concerns and the reasons why the referee believes the candidate may be unsuitable to work with children)
- The candidate's suitability for the post with explicit reference to the job description and person specification.

All appointments are subject to satisfactory references, vetting procedures and DBS clearance.

References are the "property" of the selection panel and strict confidentiality will be observed. Employer testimonials i.e. those provided by the candidate and/or marked 'to whom it may concern' will not be accepted. References must be in writing and be specific to the job for which the candidate has applied. The selection panel will not accept references from relatives or people writing solely in the capacity as a friend of the candidate, for any post. References will be verified and any discrepancies or areas of potential concern will be discussed with the candidate at interview.

If the field of applicants is felt to be weak, the post may be re-advertised.

Interview and selection

Before the interviews, the selection panel will agree on the interview format.

Selection techniques will be determined by the nature and duties of the vacant post, but all vacancies will require an interview of short-listed candidates.

Interviews will always be face-to-face. Telephone interviews may be used at the short-listing stage but will not be a substitute for a face-to-face interview (which may be via visual electronic link).

Candidates invited to interview will receive:

- A letter confirming the interview and any other selection techniques
- Details of the interview day including details of the panel members
- Details of any tasks to be undertaken as part of the interview process
- The opportunity to discuss the process prior to the interview

When interviewing candidates, we will:

- Probe any gaps in employment, or where the candidate has changed employment or location frequently, and ask candidates to explain this
- Explore any potential areas of concern to determine the candidate's suitability to work with children
- Record all information considered and decisions made

The questions asked will be aimed at obtaining evidence of how each candidate meets the requirement of the Job Description and the Person Specification and each candidate will be assessed against all of the criteria for the post.

The same areas of questioning will be covered for each applicant and no questions which would discriminate directly or indirectly on protected characteristics under the Equality Act will be asked.

The selection process for every post will include exploration of the candidate's understanding of child safeguarding issues.

Candidates will always be required:

- To explain satisfactorily any gaps in employment
- To explain satisfactorily any anomalies or discrepancies in the information available to the selection panel
- To declare any information that is likely to appear on a DBS disclosure
- To demonstrate their capacity to safeguard and protect the welfare of children and young people

The interview will also include a discussion of any convictions, cautions or pending prosecutions, other than those protected, that the candidate has declared and are relevant to the prospective employment.

The recruitment documentation will be retained. Under the Data Protection Act, applicants have the right to request access to notes written about them during the recruitment process. After 12 months, all information about unsuccessful candidates will be securely destroyed.

Pre-appointment vetting checks

We will record all information on the checks carried out in the school's single central record (SCR). Copies of these checks, where appropriate, will be held in individuals' personnel files. We follow requirements and best practice in retaining copies of these checks, as set out below.

New staff

All offers of appointment, including one who has lived or worked abroad, will be conditional until satisfactory completion of the necessary pre-employment checks. When appointing new staff, we will:

- Verify their identity from current photo ID (originals) and proof of address (originals) except where, for exceptional reasons, none is available; the advice of HR will be sought if this is the case
- Obtain (via the applicant) an enhanced DBS certificate, including barred list information for those who will be engaging in regulated activity (see definition below). We will obtain the certificate before, or as soon as practicable after, appointment, including when using the DBS update service. We will not keep a copy of the certificate for longer than 6 months, but when the copy is destroyed we may still keep a record of the fact that vetting took place, the result of the check and recruitment decision taken
- Obtain a separate barred list check if they will start work in regulated activity before the DBS certificate is available
- Verify their mental and physical fitness to carry out their work responsibilities (a job applicant can be asked relevant questions about disability and health in order to establish whether they have the physical and mental capacity for the specific role)
- Verify their right to work in the UK. We will keep a copy of this verification for the duration of the member of staff's employment and for 2 years afterwards. (if there is uncertainty about whether an individual needs permission to work in the UK, then we will follow advice on the GOV.UK website)
- Verify their professional qualifications, as appropriate
- Ensure they are not subject to a prohibition order if they are employed to be a teacher using the Employer Access Online Service,
- Carry out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK. Where available, these will include:
 - For all staff, including teaching positions: [criminal records checks for overseas applicants](#)

For teaching positions: obtaining a letter from the professional regulating authority in the country where the applicant has worked, confirming that they have not imposed any sanctions or restrictions on that person, and/or are aware of any reason why that person may be unsuitable to teach

We will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we take a decision that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment on the individual's personnel file. This will include our evaluation of any risks and control measures put in place, and any advice sought.

All checks will be:

- Documented and retained on the personnel file
- Recorded on the school's Single Central Record
- Followed up if they are unsatisfactory or if there are any discrepancies in the information received

Offer of Employment by the Selection Panel

The offer of employment by the selection panel and acceptance by the candidate is binding on both parties, subject to satisfactory completion of the pre-employment checks and satisfactory references. The successful candidate will be informed, normally by offer letter, that the appointment is subject to satisfactory completion of these checks.

Regulated activity means a person who will be:

- Responsible, on a regular basis in a school or college, for teaching, training, instructing, caring for or supervising children; or
- Carrying out paid, or unsupervised unpaid, work regularly in a school or college where that work provides an opportunity for contact with children; or
- Engaging in intimate or personal care or overnight activity, even if this happens only once and regardless of whether they are supervised or not

Personnel file and Single Central Record

Recruitment and selection information for the successful candidate will be retained securely and confidentially for the duration of his/her employment with the school including:

- Application form – signed by the applicant
- Interview notes – including explanation of any gaps in the employment history
- references – minimum of two
- Proof of identity
- Proof of right to work in the UK
- Proof of relevant academic qualifications
- Evidence of DBS clearance, Barred List (where applicable) and Teacher Prohibition checks
- Offer of employment letter and signed contract of employment

The school will maintain a Single Central Record of employment checks in accordance with DfE guidance.

Start of Employment and Induction

The pre-employment checks listed above must be completed before the employee starts work. Exceptions will only be made in circumstances where a risk assessment has been undertaken. Exceptions will never be made in the case of the Barred List and Teacher Prohibition checks.

All new employees will be provided with an induction programme which will cover all relevant matters of school policy including safeguarding and promoting the welfare of children, child protection procedures, whistle blowing and guidance on safe working practices.

Existing staff

In certain circumstances we will carry out all the relevant checks on existing staff as if the individual was a new member of staff. These circumstances are when:

- There are concerns about an existing member of staff's suitability to work with children; or
- An individual moves from a post that is not regulated activity to one that is; or
- There has been a break in service of 12 weeks or more

We will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- We believe the individual has engaged in [relevant conduct](#); or
- We believe the individual has received a caution or conviction for a relevant (automatic barring either with or without the right to make representations) offence, under the [Safeguarding Vulnerable Groups Act 2006 \(Prescribed Criteria and Miscellaneous Provisions\) Regulations 2009](#); or
- We believe the 'harm test' is satisfied in respect of the individual (i.e. they may harm a child or vulnerable adult or put them at risk of harm); and
- The individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left

Agency and third-party staff

We will obtain written notification from any agency or third-party organisation that it has carried out the necessary safer recruitment checks that we would otherwise perform. We will also check that the person presenting themselves for work is the same person on whom the checks have been made.

Peripatetic staff

We use staff employed by Barnsley music Service who ensure and confirm that necessary checks and DBS requirements have been satisfactorily completed for peripatetic staff.

Contractors

We will ensure that any contractor, or any employee of the contractor, who is to work at the school has had the appropriate level of DBS check (this includes contractors who are provided through a PFI or similar contract). This will be:

- An enhanced DBS check with barred list information for contractors engaging in regulated activity
- An enhanced DBS check, not including barred list information, for all other contractors who are not in regulated activity but whose work provides them with an opportunity for regular contact with children

We will obtain the DBS check for self-employed contractors.

We will not keep copies of such checks for longer than is required.

Contractors who have not had any checks will not be allowed to work unsupervised or engage in regulated activity under any circumstances.

We will check the identity of all contractors and their staff on arrival at the school.

For self-employed contractors such as music teachers or sports coaches, we will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will include our evaluation of any risks and control measures put in place, and any advice sought. If a contractor working at school is self-employed and will be in regulated activity, we will consider obtaining the DBS check, as self-employed people are not able to make an application directly to the DBS on their own account.

We will check the identity of contractors and their staff on arrival at the school or college.

Trainee/student teachers

Where applicants for initial teacher training are salaried by us, we will ensure that all necessary checks are carried out.

Where trainee teachers are fee-funded, we will obtain written confirmation from the training provider that necessary checks have been carried out and that the trainee has been judged by the provider to be suitable to work with children. We will require proof of DBS enhanced clearance with barred list check and will carry out identity checks when the student arrives at school.

In both cases, this includes checks to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006.

Volunteers

We will:

- Never leave an unchecked volunteer unsupervised or allow them to work in regulated activity
- Obtain an enhanced DBS check with barred list information for all volunteers who are new to working in regulated activity
- Carry out a risk assessment when deciding whether to seek an enhanced DBS check without barred list information for any volunteers not engaging in regulated activity. We will retain a record of this risk assessment
- Ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will include our evaluation of any risks and control measures put in place, and any advice sought

Governors

All governors will have an enhanced DBS check with barred list information.

All governors will also have a section 128 check (as a section 128 direction disqualifies an individual from being a maintained school governor).

Staff working in alternative provision settings

Where we place a pupil with an alternative provision provider, we obtain written confirmation from the provider that they have carried out the appropriate safeguarding checks on individuals working there that we would otherwise perform.

Adults who supervise pupils on work experience

When organising work experience, we will ensure that policies and procedures are in place to protect children from harm.

We will also consider whether it is necessary for barred list checks to be carried out on the individuals who supervise a pupil under 16 on work experience. This will depend on the specific circumstances of the work experience, including the nature of the supervision, the frequency of the activity being supervised, and whether the work is regulated activity.
