

## Topic Homework

Next half term, our topic is 'Nature Nurturers'. We will be learning about plants and will be looking at how they grow. We will label the parts of a plant and will name the plants around us.

For your homework, complete one of the following tasks:

- Draw and label your favourite plant or flower.
- Go on a plant hunt in your garden and draw or take photographs of the plants that you find.
- Explore your local area and draw or take photographs of any plants that you find.
- Plant some bulbs or seeds and document their growth.

You can complete any other plant related activities that you would like to do, too!

Please bring your homework in on the first day back after the holiday. Have a lovely break!

Mrs Sellars
