

Autumn Half Term

Topic Homework

As part of our history topic next half term, we will be learning about old and new toys. We will talk about toys in the past, including what they were made of, and how they are similar or different to toys that the children have now.

For their homework, can the children please complete one of the following activities:

- Ask a grandparent about their toys and draw them and/ or write about them.
- Make a photo album of your favourite toys and write why they are special to you.
- Make a list of the toys in your house and write what they are made of.
- Draw a picture of your favourite toy and label the parts of it.
- Make your own toy using materials from around your house (e.g. recycling materials).

You can also complete a toy-themed activity of your choosing!

Can we please have homework projects returned for the first Friday back after half term. We will share them on the afternoon of this day.

Thank You

Mrs Sellars
