

Y4 - Volcanoes – Topic Homework

In Autumn term 1, Linden class we will be learning all about Volcanoes. Below is a list of topic homework activities designed to ensure that every style of learner can find something that interests them. Please choose just one activity to complete over the summer holidays.

- Make a drawing, painting or collage of a volcano. You could even look at the work of our focus artist : Margaret Godfrey.
- Make a 3d model of a volcano and label the different parts.
- Research famous volcanoes using the internet, books and video.
- Use a photo or video as your stimulus then write a description of an erupting volcano.
- Make a fact file about different types of Volcanoes.
