

Around the World in 80 Days– Topic Homework

Due in: First week back

Next half term in Linden class we will be learning all about discoveries and explorations in ‘Around the World in 80 Days’. Below is a list of topic homework activities designed to ensure that every style of learner can find something that interests them. Please choose just one activity – and enjoy! 😊

- Make a model of any mode of transport that you would most like to travel the world in. (Would you go by sea? Air? Road)
- Make a fact file of a famous explorer – use pictures and information from the internet or books.
- Make a model of a compass or a hot air balloon.
- Write a comparison of the difference between navigation today and in the past.
- Make a written or picture list of tools and equipment you might need to go exploring.
- Write a persuasive letter to Mrs Stratton to let us go on an exploration. Where do you want to go? Why do you want to go? What do you want to find out?
