

# Mexico

This term in Beech class we will be continuing to learn all about Mexico, The Maya and Chocolate as part of our theme, with a higher focus on modern day Mexico. Because the topic is remaining on the same theme, many of the projects are still relevant.

Below is a list of topic homework activities designed to ensure that every style of learner can find something that interests them. Please choose just one activity – and enjoy! 😊

- Make a model of Chichen Itza – (box modelling, lego)
- Create a map of Mexico/The Maya empire highlighting key geographical features.
- Make a persuasive poster about fair trade chocolate.
- Design and make a Dia de las Muertos mask.
- Or any other related projects that you fancy – surprise me!
