

Waterworld - Topic Homework

Spring term 1 in Holly class we will be learning all about bodies of water... Below is a list of topic homework activities designed to ensure that every style of learner can find something that interests them. Please choose just one activity - and enjoy! 😊

- Make a drawing, painting or collage of a river, lake or the sea.
- Research rivers using the internet, books and video.
- Use a photo or video as your stimulus then write a description of rushing river or a stormy sea.
- Find out about water pollution, you could present however you like, maybe you could create a poster to persuade people to look after our oceans!
- Research the water cycle and create a diagram of how the water cycle works.
- Do some research on the artist 'Hokusai' or artwork inspired by his painting 'The Great Wave'.
