

Passage to India - Topic Homework

In Summer term 2 in Holly class our topic is Passage to India! Below is a list of topic homework activities designed to ensure that every style of learner can find something that interests them. Please choose just one activity - and enjoy! 😊

- Research the country of India, what is the weather like there? What kind of houses do the people live in? What jobs do they do? What food do they eat?
- Find out which countries and seas border India and label them on a map.
- Create some artwork using Indian patterns - look up Rangoli patterns or paisley patterns for inspiration!
- Create a mood board with photos from India and from the UK, what similarities and differences do you notice between the two places?
- Find some information on the village of Chembakolli (India). You could present this information in any way you like - pictures, a fact file, a mind map, bullet points, a poster - etc!
